NAME

Day 1

Most of the families who live in Imizamo Yethu, live in homes called 'Shacks' with only one door.

Give 20p for every door you have in your home.

Day 2

Most homes do not have their own toilet, families have to share toilets with others.

Give 10p for each time you use the toilet this week.

Day 3
Children enjoy learning to read but have very few books available to them.

Give 10p for every year of your life since you learned to read and/or
Give 5p for every book you have been given this year.

Day 4

Children often wear sandals or flip flops as shoes are very expensive.

Give 10p for every pair of shoes or wellies or trainers you have and are able to wear.

Day 6

Most children have never travelled further than Cape Town, let alone outside South Africa.

Give 20p for every country you have visited

Day 5

Children like to wear school uniforms but parents rarely have the money to buy them.

Give 20p for each item of clothing you have bought this month

Find out 10 interesting facts about SOUTH AFRICA

Day 7

Very few families can afford cars and so they walk everywhere, if the journey is long they share a taxi or squeeze onto a very crowded bus.

Give 50p for every car you have access to travel in.

Day 8

Children rarely celebrate their birthday, some don't even know when their birthday is.

Give 20p for every birthday you have celebrated

Day 9
Children enjoy learning new skills and have activities after school. They love to dance and sing and play games like soccer.

Give 20p for every social activity you have done in the last 10 days

Learn more about some of the children we support by watching the videos at www.brightstartfamily.com

Day 10

Very few children have access to a computer to help them learn.

Give 10p for every hour you spend on the computer this week.

Day 12

Electricity is very expensive and is mainly used for cooking, rarely for heating and lighting.

Give 5p for every electrical socket you have in your home.

Day 13

Children enjoy chicken's feet as snacks as a treat bought from the local shop.

Give 5p for each snack or sweet treat you have eaten this week.

Day 11
Water is accessed from a shared tap. Washing clothes is usually done by hand and then hung on wire fences to dry. Very few people have access to a washing machine.

Give 50p for each time your washing machine has been used this week.

Day 14

There are over 50 children with only one teacher in some classes.

List all the names of the teachers that have ever taught you. Give 10p for every teacher you can remember.
